OBJECTIVE

To serve the Lord by leading His church *pastorally* and *administratively* by *developing* ministries, *discipling* and *equipping* leaders “so that the body of Christ may be built up.” I’m at home serving alongside others who have a clear vision and strong leadership skills. I’m at my best when I’m helping others express their gifts and fulfill their calling. I’m deeply committed to fostering a culture where authenticity, excellence and collaboration are the guiding principles. I’m passionate about creating teams of effective communicators. I enjoy mentoring staff, developing leaders and discipling others to become fully committed followers of Christ.
